Dear Team Leader,

Please find enclosed the model year **2012** application for engine family **CNVXH07570GE**. On behalf of Navistar, Inc., I hereby certify that the test engines, as described in this application for certification, has been tested in accordance with the applicable test procedures, utilizing the fuels and equipment required under Subparts D, I and N of 40 CFR Part 86, and that on the basis of such tests, the engine conforms to the requirements of 40 CFR Part 86, applicable guidance documents, and based on information in its possession at the time of certification, Navistar, Inc. affirms these engines will meet the NTE screening limits, as those limits are modified by relevant NTE exclusions and deficiency provisions, under all conditions which can reasonably be expected to be encountered in normal vehicle operation and use.

I further certify that all engines in these engine families are in all material respects as described in this Application for Certification and comply with all requirements of 40 CFR Part 86 and the Clean Air Act.

[CBI]

I hereby assert that certain information in this application is confidential business information. The information which we assert to be confidential business information has been marked as such in the Application for Certification.

Sincerely,

EPA (b) (6) Personal Info
